## Update | December 2012

### [About Us](#)

#### Free Access & Reliable Data

*Looking for the most current data on child well-being?*

Our National KIDS COUNT data center provides state rankings for four domains: Economic Well-Being, Education, Health, and Family & Community.

## Stay Connected

As the nation slowly recovers from the economic recession, attention focuses on the challenges young people face to secure a promising future.

Mississippi KIDS COUNT will spend the next year highlighting data and research focused on the economic well-being of children and families across the state.

Your participation is critical in identifying challenges and sharing solutions for a better Mississippi.
