Summit 2013 Success

Many thanks to the over 200 professionals and students who participated in the Mississippi KIDS COUNT Sixth Annual Summit in Jackson on February 22nd!

Summit participants enjoyed Wes Moore

It was a rewarding day filled with opportunities to connect with fellow stakeholders from across Mississippi, share challenges unique to our communities, and learn from state and national leaders about current resources available to ensure sustainable local impact.

Stay Connected

Mississippi KIDS COUNT will spend this year highlighting data and research focused on the economic well-being of children and families across the state.

Your participation is critical in identifying challenges and sharing solutions for a better Mississippi.

Join the conversation and make a difference!

MS KIDS COUNT Success Stories

Do you know a program or organization that improves the well-being of children and families in your community? Nominations for 2014 open in April. [View 2013 Success Story Winners](#)

Annie E. Casey Youth Incarceration Report

In this KIDS COUNT data snapshot, the Casey Foundation finds that the rate of young people locked up because they were in trouble with the law dropped more than 40 percent over a 15-year period, with no decrease in public safety. [Read the report](#)

2013 Mississippi Infographics For You

Writing a final report or applying for an important grant? We think our infographics focused on health, education, and housing & employment in Mississippi might be what you need. Located in our 2013 Data Book and online, we hope you find them useful. [Download Health & Wellness Infographic](#)
